

Feedback Collection: The Institute collects the feedback physically from stockholders i.e. Students, Parents and Teachers on Curriculum, further institute invites Alumni and Industry Representative to conduct sessions with the faculty and students where feedback is collected by the management through interaction. Parents feedback are collected during the Parent- Teacher Meeting at the campus.

The Institute established Internal Quality Assurance Committee in order to ensure and analyze the academic excellence at student and faculty levels. The college maintains an IQAC as a quality consistence and quality enhancement measure. In supervision of IQAC, various departments and committees like Career Guidance, Anti-Ragging and Sexual Harassment Committee, etc reinforce the curriculum by incorporating updated information and diurnal social issues. Periodical meeting is conducted by Academic and Examination Cell on student performance, faculty performance in every semester, utilization of infrastructure and requirements for quality enrichment.

The Institute conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. The provided feedback data is presented to the Academic Meeting for necessary implementation in curriculum, teaching –learning process or any other highlighted area to support student progress.

Feedback Analysis Report: The physical feedback forms are gone through and their suggestions are considered and placed before the IQAC and Academic and Examination Cell for discussion and for possible incorporation in the Academics and Curricular aspects.

- Syllabus Review can be done and submitted by the concerned subject faculty at the end of semester with regard to suitability of syllabus to the courses, mode of presentation, lecture material, suggested books, etc. Syllabus completion within stipulated time period is a challenge.
- Special Classes on communication skill to be included to improve spoken English.

- Some optional papers can be substituted or updated from time to time as per the need of the industry and the course for eg – Textiles (not practical).
- More practical (industry) exposure or the scope of the same must be enhanced to induce experiential learning.
- More practical and practice class of Food production and Service to be incorporated.
- Curriculum Overview Survey can be conducted by every out-going batch with regard to syllabus, faculty support, campus placements, infrastructure etc.
- There can be Session breaks for the students.
- Canteen drinking water to be improved and the menu can be revised on weekly basis.
- IQAC advises and maintains proper discipline and encourages to provide quality support to every student. The love and guidance given to the students by the enormous personified teachers is appreciated by alumni.
- The management also conducts seminars and workshops in every academic year. Apart from this, management supports Student Involvement Program through seminars, student's innovations for the further development of curriculum activities.
